**FORMAT FOR CONSTRUCTION/INSTALLATION SCORE**  
**(TO BE FILLED IN BY NTPC SITE)**

| S. no | Parameters  | Max Score (A) | % of actual vis-à-vis L2 schedule (B) | Marks Obtained (C)=(A) *(B) |
|-------|---|---------------|---------------------------------------|-----------------------------|
| (i)   | <b>Physical progress</b> i.e. Installation of equipment / item, Civil works (i.e. Excavation, RCC, Piling, etc), Structural Works (i.e. Structural Fabrication, Erection, etc) as per approved L2 network | 95            |                                       |                             |
| (ii)  | Project Management Capability and resource Management by Vendor at site.<br><b>(5 Negative marks per instance)</b>  |               |                                       |                             |
|       | Number of instances of delay due to inadequate deployment of equipment and T&P, based on record maintained in hindrance register, monthly PRT MoM, contractor's MPR, etc.                                 | (-5)          |                                       |                             |
|       | Number of instances of direct payment by NTPC to Contractor's sub-vendors to expedite supplies / services / the progress of work at site affected due to strike / delay in payments to labourers.         | (-5)          |                                       |                             |
| (iii) | Submission of Monthly Report in specified formats.  | 5             |                                       |                             |
|       | <b>TOTAL</b>  | <b>100</b>    |                                       |                             |

Details of Area-wise performance is mentioned below:

| Sr No.□            | Activities□                      | Scope□ | L2 Finish Date□ | Actual Completed till L2 Finish□ | %age Comp□ |
|--------------------|----------------------------------|--------|-----------------|----------------------------------|------------|
| 1□                 | Excavation□                      |        |                 |                                  |            |
| 2□                 | RCC□                             |        |                 |                                  |            |
| 3□                 | Structural / Equipment Erection□ |        |                 |                                  |            |
| <b>Avg Comp %□</b> |                                  |        |                 |                                  |            |

**Note: For Physical Progress, overall % of actual progress vis-à-vis quantified L2 schedule in Col (B) shall be arrived in the following manner (Unit of measurement shall be as per approved BBU for respective activities):**

- (i) Let there be n category of works identified in L-2/Quantified L2 schedule i.e. W1, W2, W3 .....Wn.
- (ii) Let % progress for each category of work vis-à-vis L2 schedule be %W1, %W2, %W3.....%Wn.
- (iii) Overall %in Col (B) = (%W1+ %W2+ %W3.....+%Wn)/n

Note:

- All incidences shall be relevant to the current performance evaluation cycle.
- In case of delay in front (including construction drawings for civil packages and other inputs, if any) release by NTPC, measurement of delay in execution by the contractor shall be normalized proportionally.
- Contractor will have to submit monthly progress report capturing actual physical progress viv-a-vis L2 schedule and delay in hand over of front by NTPC, if any. In case of front delay the same has to be jointly signed by NTPC engineer & Vendor.
